MAMBA™ Combat Fighting Sling Collapsible Buttstock Installation Instructions

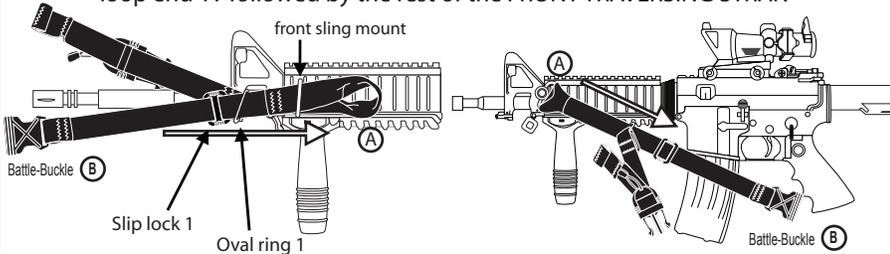

FOLLOW STEPS 1 THROUGH 7 TO CONFIGURE MAMBA™ ON YOUR COLLAPSIBLE BUTTSTOCK WEAPON. USE THE ASSEMBLY PARTS LIST FOR REFERENCE.

Instructions for MAMBA™ on M-4

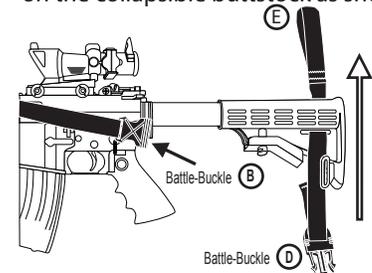

1 FIRST, remove the sling from the package and separate it into three main components, as shown.

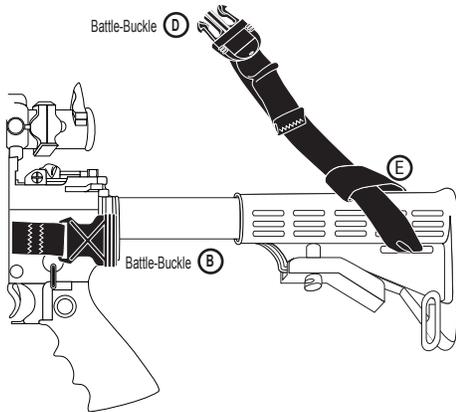

2 Pass the loop end "A" of the FRONT TRAVERSING STRAP through the front sling mount of the weapon. Then feed Battle-Buckle "B" back through the loop end "A" followed by the rest of the FRONT TRAVERSING STRAP.

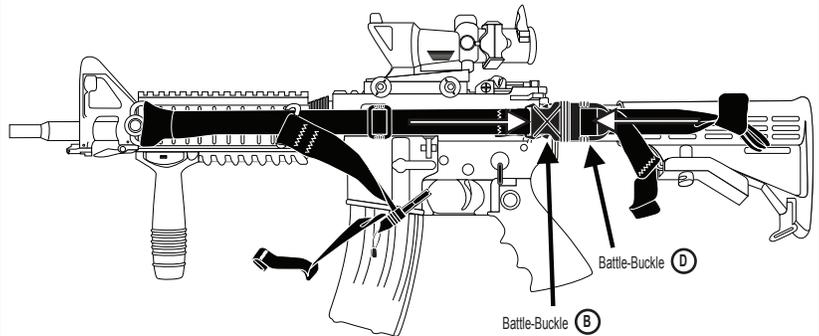

3 Pass the loop end "E" of the REAR TRAVERSING STRAP through the slot on the collapsible buttstock as shown.

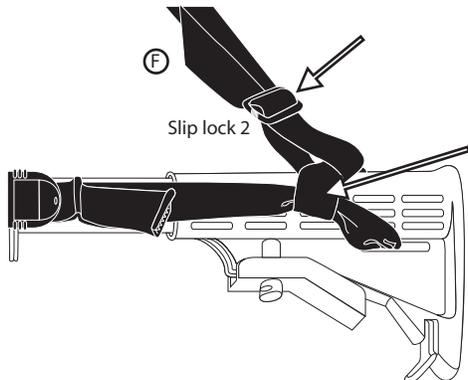

4 Pass Battle-Buckle "D" of the REAR TRAVERSING STRAP through the loop end "E" as shown.

5 Connect Battle-Buckle "B" of the FRONT TRAVERSING STRAP to Battle-Buckle "D" of the REAR TRAVERSING STRAP.

6 Pass end "F" of the SHOULDER STRAP through the loop created by the REAR TRAVERSING STRAP as shown and then thread end "F" through Slip lock 2.

7 Connect Battle-Buckle "C" of the FRONT TRAVERSING STRAP to Battle-Buckle "G" of the SHOULDER STRAP. Use the "Speed Adjuster", Slip lock 2 and 3 for adjustment purposes.
