Functions in 1
Eight In One!

- On The Body
- On The Weapon
- On the Move

This tubular head garment constructed from high-tech polyester microfiber has the distinction of being the only product of its kind designed specifically for the soldier. Its low profile and stealthy good looks provide the wearer an extra margin of protection not offered by conventional head wear. That's why we call it GEAR!

"PICK YOUR OPERATIVE" Recon Wrap Has You Covered!

 <p>BOONIE MODE</p>	 <p>HELMET LINER</p>	 <p>OPS-MODE</p>	 <p>SAHARA MODE</p>
<p>1. Pull the Recon Wrap over your head and down to your neck.</p>  <p>2. Pull the top portion of the wrap up until it covers your nose and ears.</p>  <p>3. Put your Boonie hat on and your good to go!</p> 	<p>1. Turn the Recon Wrap inside out (for camo models).</p>  <p>2. Twist the wrap half a turn.</p>  <p>3. Fold the wrap in half.</p>  <p>4. Hold the wrap from the two inner sides.</p>  <p>5. Pull one free end into the other end to form the liner.</p> 	<p>1. Turn the Recon Wrap inside out (for camo models).</p>  <p>2. Put your hands through and grab the opposite opening. Take the left upper corner in your right hand and the right upper corner in your left hand.</p>  <p>3. Pull your hands out while holding the corners. The piece will resemble a sloppy bowtie.</p>  <p>4. Shuffle and cinch the knot to one side and place it over your head.</p> 	<p>1. Turn the Recon Wrap inside out (for camo models).</p>  <p>2. Drape the wrap over your head and slide hand inside. Hold the lower side against forehead.</p>  <p>3. Pull the upper half back over your head.</p> 
 <p>BALACLAVA</p>	 <p>SWEAT BAND</p>	 <p>GOGGLE MODE</p>	 <p>NECK GAITER</p>
<p>1. Pull the Recon Wrap over your head and down to your neck.</p>  <p>2. Hold the front side of the wrap down while pulling the back side over your forehead.</p> 	<p>1. Scrunch the Recon Wrap until it is the desired size.</p>  <p>2. Place over your head and adjust the size if needed.</p> 	<p>1. Scrunch the Recon Wrap until it is the desired size.</p>  <p>2. Place it over the helmet and goggles and adjust the size if needed.</p> 	<p>1. Scrunch the Recon Wrap until it is the desired size.</p>  <p>2. Pull the wrap over your head and down to your neck.</p>
